

Outdoor Counter Kit

This Professional displays counter is designed for your outdoor events. Easy to assemble, it offers a great solution for tradeshow counters and display platforms available in a wide selection of fabric styles and colors. You can also dress them up with breathtaking graphic wraps.

The Wild is **an ergonomic looking counter** primarily designed for **outdoor promotion** and outdoor road-show use. Wild has **a plastic molded** top and bottom. The bottom can be filled with water or sand to weight the unit down in strong weather. The flexible wrap is also plastic to make this product easily cleanable and great for use in any kind of weather.

Includes:

- Plastic Molded Top
- 1 Plastic Molded Bottom
- 1 Tambour
- 1 Molded case

Price: Counter only \$365
